Workshop/Activity Arrangements in Bad Weather

1. If the following warning signal is in effect 3 hours before the start of the activity, the workshop will be cancelled:
 - Tropical Cyclone Warning Signal No. 8 or above; or
 - Black rainstorm warning signal.
2. Ongoing workshop: In the event of a red/black rainstorm warning signal or tropical cyclone warning signal no. 3 hanging from the Observatory, the workshop will continue; if Tropical Cyclone Warning Signal No. 8 or above is hoisted, all group visits/workshops will be cancelled.
